

Walk in Unity

Psalms: 133:1 A Song of degrees of David. Behold, how good and how pleasant it is for brethren to dwell together in unity! 2 It is like the precious ointment upon the head, that ran down upon the beard, even Aaron's beard: that went down to the shirts of his garments; 3 As the dew of Hermon, and as the dew that descended upon the mountains of Zion: for there the LORD commanded the blessing, even life forevermore.

We pray that this scripture encourages you to walk in UNITY with the body of Christ. Unity is refreshing like a sweet fragrance and the Lord commands His blessing upon those who walk in this way. The word UNITY in the Strong's Concordance means; properly a unit, that is, (adverbially) unitedly: - alike, at all (once), both, likewise, only, (al-) together, withal. Are you walking in UNITY? Walking in unity will bring blessings over our lives and the lives of those whose paths we cross. David knew and understood these things. Unity is vital for the Spirit of the Lord to move on our behalf. Where the Spirit of the Lord is there is unity and harmony which will result in life forevermore for us. I believe that when we walk in unity the windows of heaven are open over our life. I encourage you today to walk in unity and you will see the blessings of the Lord upon you.

Update in El Retiro Cali, Colombia

In Colombia in the month of April each year the International Day of Children is celebrated. During this celebration Light of Victory Ministries was able to send the children of the Foundation on a field trip to an amusement park. For many of the children this was the first time that they had ever left the El Retiro for an event like this.

They were so full of joy that even when the rain came they did not want to leave. The hours the children were able to spend at the park were unforgettable ones for them. Thank you partners and friends for making this joy possible for the children of the El Retiro! Their lives are being impacted greatly for the gospel.

Since opening the foundation many single mothers have come to the center wanting to register their children. The Foundation can currently only enroll 50 children and we are praying that we will eventually be able to purchase the two properties on either side of the center. It is heartbreaking for us to have to turn children away. The vision the Lord has given us for the El Retiro is awesome and we have no doubts that He will provide the wisdom, the grace and everything else we will need.

Our family will be leaving for Colombia, Monday, July 9th. We covet your prayers as we are finalizing the many details of our departure which include:

- * The sell of our car
- * Protection while we are traveling to Colombia and getting Light of Victory Ministries established in Cali
- * Favor with the Government of Colombia for ministry paperwork
- * Wisdom for the many changes and decisions we will be faced with
- * A home for our family and a bilingual school for our children
